Future Giants Scholarship

Dear Supporter:

Future Giants is a life preparation and mentoring organization dedicated to assisting youth in developing skills and acquiring tools they need to realize all their future goals. Education is a major focus of FG, which is why we have established a scholarship to help provide funds for those who want to attend college.

As a Sponsor you will have a direct impact on providing opportunities for youth who would otherwise not have access to funds to attend college. To make the donation process simple for you and rewarding for the student, FG has outlined ways your donation can be raised and how you can be more involved in the entire process from raising money to presenting the scholarship to the recipient.

- Time to begin fund raising one year in advance
- Flexibility to elicit donations from friends, family and co-workers
- Minimum to be raised from each Patron is $1200
  - $ 1000 goes directly to the college to off set the student's college fees and $200 goes toward the cost of hosting the annual luncheon and gifts

As a sponsor, you have the opportunity to name the scholarship after a person or cause you want to honor (your mother, grandmother, child etc.). In addition, you will have the opportunity to:

- Select the recipient for your scholarship from a selection of applicants
- Meet and personally present your scholarship to the student

It's as easy as 10 people donating 12 dollars a month, or any combination equaling 1200 dollars for the group. Please visit our new website (www.futuregiants.org) for more detailed information on this exciting opportunity. With your generous donations and efforts, we are confident the goals and dreams of our youth will be realized.

Respectfully,

RD Snyden,
Founder
